

*On the 20th of April we had an amazing opportunity of taking a group of students over to Skill Zone in Gloucester to do a session on a sign language and symbols.*

*Each student was incredible, and the feedback we had was amazing!*

*We were able to teach all key signs and symbols which are used regularly within the SkillZone setting, and even taught some extra signs including the alphabet!*

*We had a fantastic morning and enjoyed the opportunity to teach all that we have learnt at AKS to the wider community.*
