

# AKS MATHS Curriculum Map

Mission Statement: "We reject the idea that a large proportion of people 'just can't do mathematics'. All pupils are encouraged by the belief that by working hard at mathematics, they can succeed and that making mistakes is to be seen not as a failure but as a valuable opportunity for new learning."

Further details of **subject** can be found in the **subject policy & long term plan**.

**KS5** Curriculum Time: **8 Lessons per fortnight**

Number	Algebra
Ratio and Proportion	Geometry and Measures
