<b>Biography</b>  I have a son at Alderman Knight and two sons at Bettridge special school, I am therefore very familiar with the special school culture and environment.  I have previously been a Governor at three schools including a Special School  My background includes experience in finance and both HR and PR Management.  I am passionate about the superb work Alderman Knight does on behalf of our children and would hope to add value to the Governing Board.  I am both hardworking and approachable and I am proud to represent the schools parents in this important role.
