2H enjoyed Tanzania Day at school on Tuesday. They enjoyed lots of fun activities and lessons. From mimicking African animals, running and practicing our football skills in PE, to trying exotic fruits; papaya, mango, avocado, watermelon and pineapple in Food. Recreating the Maasai tribes jumping dance in Music, watching a story about a 7-year-old girl climbing Mount Kilimanjaro and then doing a diary entry as if we were going to climb the mountain too in English! Here are 2H's AMAZING pictures inspired by Tanzanian Edward Tingtinga in Art.

What an amazing week we have had! We enjoyed our fun run on Monday, learning about Zambia and Tanzania on Tuesday, selling sweets for charity on Wednesday, and spending time with our new tutor on Thursday. We cooked a tasty African chicken and mango curry, and played a great Zambian game that is very similar to dodgeball. We also took turns to talk to the rest of the class to share our ideas about what could be happening in some unusual pictures. In Science we did an experiment to find the DNA of an onion and we also made a model to show the different parts of a cell. Our Star of The week is Chardae and our House Point Winner is Lewis. Well done!

Post 16

It's been very quiet in Post 16 without the majority of the Year 13s, but we've been keeping busy...

On Monday we joined in the celebratory Fun Run, picnic and a fternoon of activities. The students enjoyed meeting pupils from the main school and sharing their interests!

On Wednesday we had a careers talk from the construction company Skanska.

SKANSKA

Some of Skanska's projects have included the Gherkin in London and the Channel Tunnel!

We've been getting into the spirit of the Euros and backing the teams we've drawn in the sweepstake... (though mainly England!)

Post 16 – 12E & 13F

On Tuesday we were involved in Zambia and Tanzania Day. Post 16 students helped with activities and acted as a 'press pack, taking photos and making notes for a newsletter.
