## Sports Day!

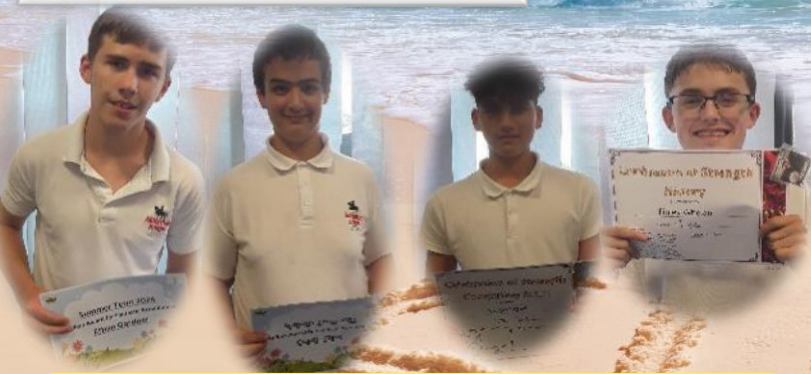

What an incredible year we've had together! This academic year in 9I has been filled with countless, amazing memories and experiences. From exciting projects and engaging lessons to fun activities and special moments, we've built a strong and supportive classroom family.

As we come to the end of this journey, it's a great time to reflect on everything we've accomplished and the friendships we've formed. We are so proud of each one of you for your hard work, creativity and enthusiasm.

To celebrate our time together, we wanted to share the wonderful **family tree** we've created in 9I. It's a beautiful reminder of how we've grown and supported each other throughout the last 3 years.

Miss Irwin and Miss Gil wish you the most amazing summer! Enjoy your break, make new memories, and come back refreshed and ready for another fantastic year as YEAR 10!

In Celebration assembly many of our pupils received awards! We also won the Community Award 2024 for all our hard work in Gloucestershire Night Stop.
